

Thank You Encore Construction:

Pictures left to right are David Schaeffer, Chair Kathy DeMeyer, Laura Watts, Peter Driscoll, Amanda Winans, Susan Gerlach, Chris Eldredge, missing from photo is Jonathan Lockley.

On Saturday, June 2nd, Encore Construction held a Yard Sale of our collection of doors, windows, cabinets and other odds and ends and raised over \$2,700 to benefit the Cape Cod Times Needy Fund!

The Encore Construction Community Service Committee is responsible for finding ways that Encore can give back to our community. After much discussion and deliberation, the Committee came up with a great plan: sell the building materials that had accumulated in our storage area and donate the proceeds to charity. The Committee chose the Cape Cod Times Needy Fund as the worthy beneficiary. The Needy fund helps local families through emergencies by paying for one-time expenses such as food, rent, mortgage payments, utility and heating bills, and medical costs. According to Kathy DeMeyer, Chairperson of the Encore Community Service Committee, "We get to clear out excess material and, at the same time, help local families. It's a win-win situation."

We would like to acknowledge the hard work of the many Encore employees who volunteered their time for this event. There were many hours of planning and organizing and some serious hauling and transporting the day of the event!
